

## EUROSPINE at World Spine 8

### Quick Facts:

- **Event title:** World Spine 8
- **Location:** Porto, Portugal
- **Date:** 13–18 April 2018
- **Organising Society:** World Spinal Column Society
- **Participants:** 200 at EUROSPINE lunch symposium
- **EUROSPINE Representatives:** F Kandziora, S Kahraman, S Naideri

EUROSPINE, the largest spine society in Europe, supported World Spinal Column Society during its 8<sup>th</sup> annual meeting in Porto, Portugal.

EUROSPINE held a lunch symposium addressing the topic of “Revision Spine Surgery” that was attended by more than 200 mainly neurosurgical participants from more than 30 countries. Prof. Kandziora, EUROSPINE President said: "We, EUROSPINE, as a multidisciplinary spine society, are very pleased that we can support our neurosurgical colleagues in their excellent development. The World Spinal Column Society has become an excellent platform for the exchange of neurosurgical innovation in recent years. "

EUROSPINE and the World Spinal Column Society are collaborating to support each other in further developing the field of spinal disorders.
